

ROBOTICS SUMMER CAMP

growingSTEMS, in partnership with NAWCAD, is hosting an exciting summer camp focusing on VEX IQ kits.

High school students will work with experienced mentors to design and program a robot, culminating in a maze challenge.

The program is focused on, and is intended to bring more young people into the STEM community.

All camps will take place at The Hive: A growingSTEMS Center at 44010 Commerce Ave A, Hollywood, MD 20636

Two four-day sessions (Monday to Thursday from 8 A.M. to 4 P.M.) of this free camp are

Session 1: June 27-30, 2022

Session 2: July 25-28, 2022

Visit growingstems.org/nawcad-camps to obtain the registration form and additional information. Registration will open April 25th. Kits will be provided but computers are required.
